

Keefler Rourke  
Mr. Fryer-Davis

19 May 2015  
ICS4UI

## **Status report 2:**

### **What was done?**

- Researched both LZW compression and Huffman coding
- Restarted initial planning and documentation

### **What got in the way?**

- IB Chemistry exam chewed up the majority of my week

### **What is planned for the following week?**

- Finish initial planning and documentation
- Begin work on implementing a Huffman tree for encoding text
